### 5.1 Technical or functional cookies

Some cookies ensure that certain parts of the website work properly and that your user preferences remain known. By placing functional cookies, we make it easier for you to visit our website. This way, you do not need to repeatedly enter the same information when visiting our website and, for example, the items remain in your shopping cart until you have paid. ## 5.2 Statistics cookies

Because statistics are being tracked anonymously, no permission is asked to place statistics cookies.

On this website we use advertising cookies, enabling us to personalise the advertisements for you, and we (and third parties) gain insights into the campaign results. This happens based on a profile we create based on your click and surfing on and outside <https://core1.nobullwebdesign.co.uk/dummy>. With these cookies you, as website visitor are linked to a unique ID, so you do not see the same ad more than once for example.

## 5.4 Marketing/Tracking cookies

Because these cookies are marked as tracking cookies, we ask your permission to place these.

## 5.5 Social media buttons

On our website we have included buttons for Facebook and Instagram to promote webpages (e.g. “like”, “pin”) or share (e.g. “tweet”) on social networks like Facebook and Instagram. These buttons work using pieces of code coming from Facebook and Instagram themselves. This code places cookies. These social media buttons also can store and process certain information, so a personalized advertisement can be shown to you.

Please read the privacy statement of these social networks (which can change regularly) to read what they do with your (personal) data which they process using these cookies. The data that is retrieved is anonymised as much as possible. Facebook and Instagram are located in the United States.
